***Scorecard points are actual points scored and not %'s.**

***Procurement Recognition is the %converted from the points. These can only be 0%, 10%, 50%, 60%, 80%, 100%,110%,125% and 135%. Thus the Level of compliance of your company's BEE status.**

***Procurement Recognition is the % (percentage)**

***EME's and EME's who are > 50% Black/Black Women Owned**

EME's (*turnover less than R5m per financial year*) will be seen as Level Four compliant, thus 100% Procurement Recognition. EME's do not have to have a rating certificate, proof from an Accounting Officer of turnover less than R5m for the last financial year is proof of their BEE compliant level. If EME's are also more than 50% Black Owned or >50% Black Women Owned those companies will have a 110% Procurement Recognition Level and be Level Three compliant. Proof of Black Ownership must be provided.

***EME Exempted Micro Enterprise**
